My future plan

Every^r one always wanted^s to choose a good future. The choice is not difficult if we have a sure dream and effort. to become a teacher was not made lightly. This decision was a culmination of a process of reflection about what I wanted to doⁱⁿ my life.

I have chosen a career in education because I believe that it is one of the most important functions performed in our culture. I believe that working with satisfaction ~~it~~ makes we get success with effort. I hope I ^{can} do it. achieved. I am effort perform my dream. every day I research in experience. Communicator. update ability. I can do presentation. I can do explaining. I have confidence ~~I~~ confident to do the job. I have motivation ~~I~~ motivator. can be promoted in family. I have inspiration about teaching my student. firm with students and always fair. I set high expectations knew how to

confidence
motivation

motivate, and used ^{humour.} humor appropriately.

This is the type of teacher that I intend to become.

- However, I understand that my personal teaching style will evolve as my own strengths, knowledge, skills, values and experiences do.

I believe that working with satisfaction and effort makes us succeed.

I make efforts to achieve my dream.
