

# Empowering Children Through Quality Education

## About Peoplestories

**PeopleStories** is a purpose-driven not-for-profit organisation. Our mission is, through the power of education, to break the cycle of poverty with the children and communities in rural Cambodia.

Many of these children are unable to finish their schooling due to financial constraints within their families. Shockingly, statistics reveal that **1 in 5 (20%) children drop out of school**, with **51% of them lacking proper reading and writing skills** upon leaving primary school.

## Our Programmes

### SCHOOL FOR LIFE

Multi-level scholarship programme that helps children complete school. It gives essential materials such as bicycle, school supplies, as well as life-skills workshops to enable effective learning.

### MOBILE DIGITAL SCHOOL

The first to offer digital learning without the need of internet. It reaches rural schools and communities with greater digital literacy whom have never seen a computer before.

## Impact We've Made

462

Bicycles provided for greater mobility & safety

978

Scholarships provided to access to education

37,047

Digital learning hours provided to 1,885 rural children
